**\*\*Pets are welcome!\*\***

Decorate your vehicle trunks (decorating not required) to create a huge tailgating party. If you're not up for decorating this year and want to participate all vehicles are welcome to include classic cars and motorcycles. Just plant a comfy chair behind your vehicle to greet kids as they trick-or-treat down Candy Lane.

For more info contact Randa Jackson at [randa.jackson01@gmail.com](mailto:randa.jackson01@gmail.com) or just show up anytime on Halloween and a space will be assigned. Tell your friends.

## ***“Alternative to neighborhood Trick-or-Treating”***

### **General info**

1. Gates open at 5pm. Admission only \$5 **per carload** whether you are a "trunk participant" or a "treat seeker." Please have admission fee ready when driving through the entrance gate. (Cash only -- *Preferably exact change*)
2. Parking is free. Parking attendants will be at the gate entrance directing trunk participants to "Candy Lane" and "treat seekers" to the parking lot.
3. Candy donation is welcome. It can be given to a gate attendant.
4. Activities that start when the gates open are DJ, karaoke, bonfire, Kiddie haunted & bounce house (*Parents should be near in case their child needs assistance.*)
5. Scary haunted house opens at dark (approx 6ish). No pushing or touching allowed.
6. The costume & car contest starts at 7:30pm.
7. The hayride begins as soon as line forms. We ask that everyone remain in the wagon. No pushing anyone off.
8. Concession sold separately. Proceeds benefit mission trips.

### **Trunk Participant Guidelines**

1. Trunkers can be regular folks, businesses or organizations giving out candy and have an option to hand out novelty, kid-friendly promotional material. This provides the opportunity to increase awareness about the business/organization, and introduce yourself to your neighbors.
2. Trunkers can arrive **as early as 4pm to decorate their vehicles** in "Candy Lane". However, if you aren't artistic but still want to participate just park a chair behind your vehicle & welcome kids as they trick-or-treat.
3. Parking in "Candy Lane" rotates in and out throughout the night so it's okay to come later; we'll make space for you.
4. Please remain with your vehicle & hand the candy out. This will avoid kids taking a fistful of candy. We encourage each participant to **plan for at least 200+ children** visiting their vehicle. We will have candy on hand for refills but bring extra if you can so we have enough for everyone. If you run out just close your trunk & enjoy the rest of the night. If you prefer to leave Candy Lane let a volunteer know & you will be guided safely out the area.
5. If you plan to use electricity for your trunk design, it must be powered by your car. You will NOT be allowed to plug into the fairground's outlets or use/bring generators for safety reasons as kids run in between the cars.
